Ted,

I am writing to sing the praises of Nanotech's WOW finish! As someone who enjoys keeping my vehicle in pristine condition, this product is the best finish I have ever used. I found the application process easy, clean and effective. My vehicle has kept its shine for well over a month and counting. Every time it rains, it's as if I just reapplied the finish. I have tried many other traditional waxes and finishing products, WOW finish tops them all. I recommend this product to anyone looking to give their vehicle great protection and a long lasting shine.
